### **RULING ON ENTITLEMENT<sup>1</sup>**

On December 30, 2019, Karen Godwin filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) which meets the Table definition for SIRVA or which, in the alternative, was caused-in-fact by the influenza vaccine she received on October 26, 2018. Petition at 1, ¶¶ 2, 21. Petitioner further alleges that she received the vaccine in the United States, that she suffered the residual effects of her SIRVA for more than six months, and that neither she nor any other party has filed a civil action or received compensation for her SIRVA. *Id.* at ¶¶ 2, 21-22. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 25, 2021, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, Respondent believes that "[P]etitioner has satisfied the criteria set forth in the Vaccine Injury Table ("Table") and the Qualifications and Aids to Interpretation ("QAI")." *Id.* at 6.

**In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.**

**IT IS SO ORDERED.**
